

In behalf of my whole family, I would like to thank all of you who have extended a helping hand in financing my medications.

I would like to thank DR. JORGE MANUEL FÃO, DR. FRANCISCO JOSÉ MANHÃO, DR. JULIO LEI and all of the OFFICERS and BOARD MEMBERS of APOMAC for mobilizing this Fund-Raising on my behalf. Gratitude, as well, for Mr. GUILHERME SILVA for expediting the process of my Hospital treatments here in MACAU.

SPECIAL THANKS to all of our beloved MEMBERS, APOMAC friends and families who went out of their way and unselfishly offered financial assistance and prayers for my speedy recovery.

This road to recovery may be long and uncertain but I am comforted by the fact that I have the full support of my APOMAC family.

Again, my gratitude.
